

DESKSIDE DOCUMENT SHREDDER

1125

Compact deskside shredder with a second shredding head for CDs/DVDs

EBA 1125 S | C

Two separate feed openings with separate shredding heads for paper and for CDs / DVDs. Two integrated shred containers for easy waste separation. Photo cell controlled automatic start and stop. Separate bin for CDs / DVDs or credit cards. Transparent safety flap in the feed opening as additional safety element. Easy-to-operate multifunction switch for stand-by / stop (off) / reverse. Pilot light. Especially quiet and powerful 150 Watt single phase motor. Double motor protection against overheating. Fully closed gear box housing and durable gears. High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts. High-quality wooden cabinet. Removable bin for paper shreds (20 litres volume) made from impact-resistant plastic with large window showing fill level. Separate bin for CDs/DVDs or credit cards (3 litres volume). Magnetic switch for automatic stop if the shred bin is removed from the cabinet. Attractive colour combination silver / dark grey. Quality "Made in Germany"
