

OFFICE SHREDDER

2339

Centralised office shredder with 400 mm feed opening for large format paper or continuous forms. With a high shred performance and a high volume for the shredded material this model is ideal for large amounts of paper.

EBA 2339 S | C

SPS – (Safety Protection System) package: patented, electronically controlled, transparent safety flap in the feed opening as additional safety element; EASY-SWITCH – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols; automatic reverse and power cut-off (avoids paper jams); automatic stop if the shred bin is full; electronic door protection via a magnetic proximity switch; double motor protection against overheating; ZERO ENERGY CONSUMPTION: Complete, automatic disconnection from power supply after 30 minutes. Automatic start / stop via a photo cell in the feed opening. ECC – Electronic Capacity Control: patented indication of the used sheet capacity during shredding process. High-quality cutting shafts from special hardened steel; Lifetime guarantee on the cutting shafts. Model variations with 6 mm strip cut and 4 x 40 mm cross cut suitable for safe shredding of the most common CDs and DVDs. Powerful 640 Watt single phase motor for continuous operation. Sturdy "Twin Drive System" with fully closed gear box housing. High-quality wooden cabinet with a cabinet volume of 210 litres. Movable on castors. Environmentally-friendly shred bin with 165 litres volume for the shreds (no disposable shred bags required). Attractive colour combination silver / dark grey. Quality "Made in Germany".

Robust and durable: High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts under conditions of fair wear and tear.

EASY-SWITCH: intelligent multifunction switch element with integrated optical signals for the operational status of the shredder.

ECC Electronic Capacity Control – LEDs indicate the used sheet capacity during the shredding process to avoid paper jams.

Convenient, environmentally-friendly shreds bin (no disposable shred bags required).
